Spring 2021 | TuTh 3:30-5pm | 4 units | Remote instruction

What would it mean to begin modern American history on the island of Manhattan instead of New England? We intend to question the Anglo-American perspective on the representation of cultural identity, national identity, ethnicity, and race by contrasting the traditional foundation story of the United States with that of the 17th-century Dutch colony on Manhattan. Readings will include historical and ethnographic writings, self-representations of the different ethnic groups, and fictional accounts.
