Fall 2025 | M 3-4pm | 1 unit | 106 Dwinelle Hall

This 1-unit freshman seminar explores all study abroad opportunities that UC Berkeley offers to its students. It answers questions about what can be gained by studying abroad and how to make it part of one's undergraduate education at Cal. It focuses on how to develop a study abroad plan that suits academic and personal interests. Students also learn about different program options, how to select a program, application procedures, financial aid, and making the most of the study abroad experience after returning to the Berkeley campus. This is the ideal course to prepare yourself for a study abroad experience and to learn, explore, and grow in a globalizing world.
